Co-Chairman
Scientific Committee

Dear Colleagues,

Greetings from IRA Odisha

This year we are pleased to organize the 15th Annual Conference of the IRA Odisha on 9th and 10th December in the *Millenium City* of Cuttack at SCB Medical College, Cuttack.

With great pleasure and honour we announce the theme of this year's conference: "Rheumatologic diseases spare no organs". We invite all physicians, paediatricians, orthopaedicians, pulmonologists, dermatologists, neurologists, haematologists, post-graduates, and undergraduate students to join us and experience the panorama of rheumatologic manifestations in this 15th IRACON Odisha.

The highlights of this year's edition includes a pre-Conference CME with a series of case-based lectures by local and national speakers to illustrate the wide range of clinical manifestations of rheumatologic conditions, and a workshop on disease activity measures to help you assess the progression of disease in common rheumatologic diseases. We have also focussed to plant the seeds of Rheumatology in young minds by providing students a platform to showcase their talent and compete in displaying the colours of Rheumatology in posters and podium presentations of case-reports, and original work, and finally culminating in a session of adrenaline pumping exciting Rheuma-QUIZ.

We are eagerly waiting your arrival, participation, interaction, and blessings to celebrate Rheumatology and make this conference a grand success.

Dr. Manoj Ku. Parida
Jt. Organising Secretary

Dr. Saumya R. Tripathy
Organising Secretary

Respected Sir/ Madam

The 15th IRACON Odisha is being organized at SCB Medical College, Cuttack on 9th and 10th December 2023. We extend our warm invitation to your department to participate and have an experience of the panorama of clinical manifestations in Rheumatology.

This year the conference has been specifically designed to promote rheumatology among students. Please encourage your students to participate by submitting abstracts for case reports, or any original work on Rheumatology. The top six abstracts will get a chance for podium presentation.

In addition, a quiz is also being organized for undergraduates and postgraduates. The prelims will be held on 9th December (4-5pm) and the finals on 10th December (4-5pm).

We kindly request you to widely circulate the information among students and faculty and provide them this great opportunity of learning Rheumatology.

Abstract Submission guidelines

1. The abstract can be a case report or original work
2. The abstract for case report must be structured with the following headings: a) Title and authors, b) Introduction, c) Case report, d) Conclusion.
3. The abstract for original work must be structured with the following headings: a) Title and authors, b) Introduction, c) Aims and Objectives, d) Materials and Methods, e) Results and f) Conclusion.
4. The word limit for abstracts is 500 words (excluding title and headings)
5. The last date of submission is 5th December, 2023
6. The top 6 abstracts for case reports and original work will get a chance for platform presentation.
7. All other abstracts will get a chance for poster presentation.
8. Please submit your abstracts to iraconodisha2023@gmail.com with subject: "Abstract submission".
9. One student can submit more than 1 abstract.
10. Pre-registration is compulsory for abstract submission. Kindly send copy of registration receipt along with abstract.
